From Fr Michael:

"Forgive": Enter God's World

We are all familiar with the saying "to err is human, to forgive is divine." Perhaps we forget the second part too easily: - by forgiving one another, we are doing what God does to us all of the time. If we cannot forgive, we have not yet learned to love deeply, and we are still far from the gospel. Let us begin each and every day by asking pardon from the Lord and from one another.

SEASON of CREATION

From the 1st of September to the 4th of October, Christians all over the world will celebrate the Season of Creation, as well as the day of Creation on the 1st September. "Creation is a gift of God for mankind and for all living beings. It is, therefore, our responsibility to protect it as good reliable stewards, and faithful servants of God."

Parish Prayer

God our loving Father, you made us your children in baptism. Pour out on us the gifts of your Holy Spirit. Help us as a parish to know the paths we must follow so as to build up your kingdom. Teach us to grow in faith, to encourage one another with words of hope, and to care for your family with love. Let us bear witness to the Good News, and be faithful followers of your Son, our Lord Jesus Christ who lives and reigns with you and the Holy Spirit for ever and ever. Amen
